

GUIA BLASKE

FOR MVUSD SCHOOL BOARD TRUSTEE • AREA 1

30-YEAR TEACHING VETERAN | USMC VETERAN SPOUSE (37 YRS) | 26-YEAR MURRIETA RESIDENT

"Experienced Educator. Proven Leader. Committed to Murrieta's Future."

Retired from the classroom, but NOT expired when it comes to serving our students, families, and community!

DETAILED 5-PILLAR PLATFORM

1. Students First

Prioritizing academic excellence, campus safety, student well-being, and preparing every student for college, trades, or career success.

2. Parents as Partners

Fostering transparent communication, open governance, mutual trust, and meaningful family involvement in board decisions.

3. Empowered Teachers & Staff

Providing educators with respect, essential classroom resources, professional development, and collaborative leadership.

4. Accountable & Effective Leadership

Ensuring fiscal stewardship, transparent policymaking, measured academic outcomes, and community-centered board oversight.

5. Strong Community/Industry Partnerships

Linking schools with local businesses, CTE pathways, trades, and higher education to expand real-world career opportunities.

- **Advanced Credentials & Certifications:** B.S. Industrial Engineering, M.A. Educational Administration, Clear Teaching Credential, and National Project Lead The Way (PLTW) Certifications in Engineering.
- **Professional Organizations & Affiliations:** SWE - Society of Women Engineers; ACTE - Association of Career Technical Education; The Honor Society of Phi Kappa Phi.

Dear Murrieta Neighbors & Families,

For over two decades, I have been on the front lines of education right here in Murrieta. As a teacher, I pioneered the Career Technical Education (CTE) Engineering program at Vista Murrieta High School, served on the School Site Council, and was named District Teacher of the Year.

As a Marine Corps spouse of 37 years and parent of two MVUSD graduates, I bring both a service-driven military family perspective and deep local roots. Education is not just about changing test scores - it is about helping students discover their passion, find their purpose, and build their future.

I am retired, but NOT expired - ready to serve our community through thoughtful policy and governance.

"Career Technical Education is where passion finds purpose - and where students begin to believe in the power of their own future. We don't just change outcomes - we change lives."

~ Guia M. Blaske, Retired Teacher (CTE Student Awards Night, May 2026)
